Re: Release Request

Dear Mr. Virus:

On behalf of the Federal Cyber Service: Scholarship for Service Program (SFS), which is co-sponsored by the National Science Foundation, Division of Undergraduate Education and the Department of Homeland Security, National Cyber Security Division, and managed with the assistance of the Office of Personnel Management, I would like to personally thank you for your participation in the SFS Program.

This letter serves as official notification that, per section 5(e) of your SFS Service Agreement with OPM, you are now **released** from your obligation to repay any funding received from the SFS program.

We, here at NSF, are encouraged by your desire to serve the United States by helping to protect the Federal critical information infrastructure and we wish you the best of luck with your future plans. Should a future opportunity to work for the Federal government present itself, we hope that you will give it careful consideration.

Warmest Regards,

Dr. Diana L. Burley  
SFS Program Director
